Saratoga County Fire Training

Live Fire Training – NFPA 1403, 2018 Edition The purpose and intent of this course is to provide the student with basic understanding of the requirements of NFPA 1403 Standard on Live Fire Training Evolutions. It is intended that the student be provided with an introduction to the necessary knowledge and tools to properly prepare and conduct live fire-training evolutions. This program provides an in-depth analysis of NFPA 1403, addressing evolutions at municipal training centers, gas fired training buildings and exterior props, vehicle fires and acquired structures and exterior class B fires. It is also designed to provide an overview of live fire training requirements, especially for responsible individuals such as commissioners and chiefs who may not be directly involved with the conduct or planning of these evolutions, but with whom may rest the ultimate responsibility for training within their jurisdiction.

This class is designed for: Commissioners, chief officers, presidents, members of boards of directors and elected officials who may have legal authority and responsibility for fire department live fire training activities and those who actually conduct live fire evolutions. (EVERYONE!)

This is a 1 unit, 4 hours class

Location: Middle Grove Fire Station
Instructor: B. Myers
Time: 6:30 pm
Dates: April 27, 2021

Location: Gansevoort Fire Station
